## **HEMATOLOGIST - OAKVILLE, ONTARIO**

The Department of Medicine at Oakville Trafalgar Memorial Hospital is actively recruiting a **full-time Hematologist**.

Oakville Trafalgar Memorial Hospital is a new state-of-the-art, 1.6 million sq. ft. full-service acute care community hospital located in Oakville, Ontario (30 minutes west of Toronto or 20 minutes east of Hamilton). Our hospital has a robust hospitalist program to support inpatient care.

The scope of this position will be predominantly benign hematology with cross-coverage of malignant hematology inpatients. The successful applicant will provide inpatient hematology consultation in rotation with our two existing hematologists. Participation in the internal medicine call schedule will also be required.

The selected candidate will also have access to outpatient clinic time in the hospital for consultations, procedures, phlebotomy, transfusions and infusions. There is also an expectation that the applicant will provide care to Oakville residents in a community-based office practice.

Candidates must have an independent license with the College of Physicians & Surgeons of Ontario (CPSO). They must have fellowship standing in the Royal College of Physicians & Surgeons of Canada (FRCPC) in Internal Medicine and have completed additional training in Hematology.

Remuneration will be on a fee for service basis. The review of applications will commence as they are received and will continue until the position is filled. For further details please contact: Dr. John McPhaden at [jmcphaden@haltonhealthcare.com](mailto:jmcphaden@haltonhealthcare.com)
