

Assistant, Associate or Full Professor -General Hematology Specialist

Department of Medicine

Sunnybrook Health Sciences Centre, Toronto, Ontario

The Division of General Hematology and Thrombosis, Department of Medicine at Sunnybrook Health Sciences Centre, in conjunction with the Department of Medicine, Temerty Faculty of Medicine at the University of Toronto, is seeking a full-time hematologist. The candidate would have an academic description of Clinician Teacher or Clinician Investigator or Clinician in Quality and Innovation and would have an interest and expertise in General Hematology. **Effective start date would be September 1, 2024 or another mutually agreeable date.**

The candidate would be expected to attend on the inpatient General Hematology consult service and potentially the Thrombosis consult service and to develop an outpatient practice in Benign Hematology with the opportunity to develop an academic interest in bleeding disorders, immune disorders or other areas depending on the candidate's academic interests. The successful candidate must be eligible for a full-time clinical academic appointment at the rank of Assistant, Associate or Full Professor at the University of Toronto.

The successful candidate must be an MD and have FRCP(C) certification (or equivalencies) in Hematology, and be eligible for specialty licensure in Ontario. It is expected that the successful applicant will participate in teaching at the undergraduate, postgraduate and continuing education levels and may choose to be involved in clinical research.

Estimated remuneration will be in the range of \$150,000 - \$300,000 (fee-for-service estimate), commensurate with academic rank, qualifications and experience. Applicant will also participate in the department's group medical, dental and life insurance benefit plans.

Applications will be accepted until the position is filled. Should you be interested in this opportunity, please forward a cover letter, your curriculum vitae and names and addresses of three (3) referees to:

Dr. Anne McLeod

**Head, Division of General Hematology and Thrombosis
Department of Medicine, Sunnybrook Health Sciences Centre**
